# Haris Ahmed
## Electronic Engineer

## Contact

**Address:**
Gulshan e Ali Colony, Lahore-Pakistan

**Phone:**
+92 345 9100704

**Email:**
haris18896@gmail.com

## Hobbies

- Chess Player
- Snooker
- Movies
- Football

## Programming

HTML
CSS
Arduino
Phyton

## Languages

English
Urdu
Pashto

---

## Summary

A Student of Electronic engineering, UET-Peshawar, Pakistan.
An effective team player who has ability to manage multiple Task.

## Academic Qualifications

- **2016-2020 (Final Semester in Progress)**
  B.Sc. Electronic Engineering
  **Institute**: University of Engineering and Technology-Peshawar, Pakistan.
- **2013-2015**
  H.S.S.C from BISE Mardan, Pakistan
  **Institute:** Nisar Shaheed Degree College, Risalpur.
- **2011-2013**
  S.S.C from BISE Mardan, Pakistan.
  **Institute:** PLF Public High School, Risalpur.

## Major Subject

- Engineering Managment
- Electrical Circuit Analysis
- Electronic Circuit Analysis
- Digital Logic Design
- FPGA
- Power Generation
- Control System
- Electrical Machines
- Engineering Economics

- ## Final Year Project

- **Cash Deposit Machine.**
  I'm Mainly Working on Designing a Cash Deposit Machine and The Major Objectives of my Project are…….
  1) Digital Payment Through Mobile
  2) Ease of transfering Money.
  3) Touch Screen Interface For accessing an Account

The Hardware that I will be using to meet the above mentioned Tasks are
1) Raspberry Pi-3 Controller
2) Camera
3) Note Acceptor/Validator
4) Dispenser Module
5) Cash Box
6) Shutter
7) DC Motors

Software that I will be using are
1) Phyton
2) HTML5
3) CSS3
4) JavaScript
5) Postgre SQL

## Professional Trainings and Certification

- **Buspro Setup Tools Certified** – HDL Pakistan Buspro Certified: Home Automation Engineer.
- Participated in a workshop "IOT Internet Of Things"

## Professional Skills

Ability to Work Independently as well as in a team.

Good Problem Solving and Decision Making Skills.

Good Communication and Presentation Skills gained through participating in different activities on University Level.
